SIDE LETTER OF AGREEMENT BETWEEN
THE CITY OF SCOTTS VALLEY AND
THE SCOTTS VALLEY MID-MANAGEMENT ASSOCIATION

September 18, 2019

This Side Letter Agreement modifies the Memorandum of Understanding (MOU) between the City of Scotts Valley and the Mid-Management Association for the period July 1, 2018 through June 30, 2021.

Background:

The Mid-Management Association requested the addition of the Wastewater Laboratory/Environmental Compliance Manager classification to the MOU Section 10.02 "Boot Allowance". In April of 2019, the classification’s job description was revised and shifted from SEIU to the Mid-Management Association. At the time of that update, Section 10.02 of the Mid-Management MOU was not modified to include the boot allowance for this classification; the classification received the boot allowance while under the SEIU MOU. The classification still calls for work in conditions where safety boots are necessary. Accordingly, the Mid-Management MOU would be updated to include this single classification to render the employee eligible for the annual issue of safety boots.

Action:
Upon signing of this Side Letter of Agreement, the existing MOU language noted below is amended as follows:

Existing Language - 10.02: Boot Allowance

The City shall provide for the issue of two (2) pairs of steel-toed safety boots at a cost not to exceed $175 each pair, for the Maintenance Division Manager and the Wastewater/environmental Program Manager annually. The cost of repair shall be the responsibility of the Member. The boots provided for the Maintenance Division Manager and the Wastewater/Environmental Program Manager by the City are for the purpose of safety and are to be worn at all times while on the job. Steel-toed boots are optional at conferences, workshops and appropriate meetings. Failure to wear steel-toed boots may be cause for disciplinary action. This section applies to the Maintenance Division Manager and Wastewater/ Environmental Program Manager only.

Amended Language - 10:02: Boot Allowance 10.02

The City shall provide for the issue of two (2) pairs of steel-toed or equal safety boots at a cost not to exceed $175 each pair, for the Maintenance Division Manager, the Wastewater/environmental Program Manager and Wastewater Laboratory/Environmental Compliance Manager annually. The cost of repair shall be the responsibility of the Member. The boots provided for the Maintenance Division Manager, the Wastewater/Environmental Program Manager and the Wastewater Laboratory/Environmental Compliance Manager by the City are for the purpose of safety and are to be worn at all times while on the job. Safety boots are optional at conferences, workshops and appropriate meetings. Failure to wear safety boots may be cause for disciplinary action. This section applies to the Maintenance Division Manager, Wastewater/ Environmental Program Manager and Wastewater Laboratory/Environmental Compliance Manager only.
