COMMITTEE REPORTS

VM Johnson reported that the Santa Cruz County Regional Transportation Commission met and discussed upcoming projects throughout the County of Santa Cruz and in the City of Scotts Valley.

CM Aguilar reported that AMBAG has a new Interim Executive Director, Diane Eidam.

CM Bustichi reported that the Economic Development Subcommittee met to discuss the City's EDA grant application, which will help with some of the infrastructure needs that will facilitate the Town Center as we move forward with the project.

CM Bustichi reported that the Santa Cruz Metropolitan Transit District (SCMTD) met and extended the contract for General Manager, Les White, which is very positive for the SCMTD. He reported that they are also working to restore some of the services that have been cut over the past few years.

CM Reed reported that the Library Joint Powers Authority Board met and they are working on a facilities plan for the library system, from an infrastructure perspective, in addition to what the buildings need in order to work with the new service model.

Mayor Lind reported that the Seniors Council met and received some good news. She read a media statement from the Executive Director of the California Association for Adult Day Services, regarding a settlement that was reached in a lawsuit over the fight to save adult day health care from closure on December 1, 2011. The lawsuit was brought against the State of California Department of Health Care Services, for a violation of the Americans with Disabilities Act, on grounds it failed to provide an adequate transition plan for medically needy and elder Californians ordered out of nearly 300 adult day health care centers.

WW Mgr Hamby announced that the County Integrated Waste Management Task Force met and recommended amendments to two ordinances: (1) Amending the ordinance for food waste packaging, by adding retail stores in the ban of polystyrene use/sale; and (2) The County of Santa Cruz is in the process of approving a ban on plastic bags, however, a lawsuit is pending, so the Task Force is taking a wait and see approach before making any recommendations regarding a ban on plastic bags.

PUBLIC COMMENT

Sandra Williams, Government Appointee for the Area Agency on Aging and Seniors Advisory Council, stated that she was attending the Council meeting to show appreciation and thank the City Council for the City of Scotts Valley's support of seniors.

CM Reed announced that on December 15, Save Our Shores will be holding a "bring your own bag" day and they will be handing out reusable bags outside of Scotts Valley Market, Safeway, K-Mart, and Nob Hill.
