PUBLIC ADVISORY REGARDING COVID-19 AND PUBLIC PARTICIPATION

On September 16, 2021, Governor Newsom signed Assembly Bill 361 ("AB 361"), an urgency measure effective upon adoption, amending the Brown Act to allow legislative bodies to continue teleconferencing during a proclaimed State of Emergency, and either state or local officials have imposed or recommended measures to promote social distancing, or the legislative body determines that meeting in person would present imminent risks to the health or safety of attendees. In accordance with AB 361, the Scotts Valley City Council adopted Resolution No. 2007.3 on January 12, 2022, authorizing the continued use of teleconferenced meetings pursuant to AB 361. Elected Officials and City Staff Members will be participating remotely via videoconference.

COMMITTEE REPORTS

CM Dilles reported the Monterey Bay Air Resource District met and approved the financial statements and audit report.

CM Dilles reported that the Seniors Advisory Council Meeting met with The Seniors Council Board and talked about the status of community programs for seniors. They had a presentation from Senator Laird about the State budget and the need to receive the senior’s dollars in this county and elsewhere there needs to be more volunteers to help with the seniors in order to receive the funds from the state.

CM Timm reported the Association of Monterey Bay Area Governments (AMBAG) held a special meeting in December 2021 because they still have not agreed on the numbers for the Regional Housing Needs Allocation (RHNA). AMBAG will be meeting again in January 2022 to try and resolve the numbers. One of the concerns AMBAG has is that cities are going to have to come up with their Housing Elements quickly because the jurisdictions are having a hard time figuring out where the housing will go.

CM Timm reported that the Economic Recovery Committee met and they had a great turn out this past week for their business benefit in Scotts Valley with the holiday shopping around town. They also talked about the $250,000 in grants that businesses can apply for from the City.

CM Johnson reported that the Santa Cruz County Regional Transportation Commission (SCCRTC) met and discussed the consolidated grants and regional transportation improvement programs that the SCCRTC receives every year. Based on the vote from the SCCRTC, the Granite Creek Overpass will be receiving funds for improvements. Also, county roads will also be receiving funds for upgrades and road maintenance that have been neglected for a long time.
Mayor Lind reported that the Ad Hoc Committee for the Santa Cruz Metropolitan Transit Board has begun recruitment with a firm for the new CEO with CEO Clifford’s expected departure in January 2022.

**CITY MANAGER REPORT**

1. **CDBG Small Business Grant:** The City is waiting for a follow up from the California Department of Housing and Community Development to give final approval for the City’s program guidelines. This will be the last step and once approved the City will be announcing a Virtual Town Hall for the business community to introduce the grant opportunity and to clarify and discuss eligibility and application requirements.

2. **Storm Update:** Reflection on the recent storm and offered thanks to our Police Department and Public Works Department who worked through the night to serve the community. The Scotts Valley community did alright through the storm and made it through with a couple of minor incidents. One incident was a water main break that the water district helped respond to in order to get the situation resolved quickly.

City of Scotts Valley
INTEROFFICE MEMORANDUM

DATE: January 19, 2022

TO: Honorable Mayor and City Council

FROM: Kirsten Powell, City Attorney

SUBJECT: SECOND READING AND ADOPTION OF ORDINANCE NO. 199 REGARDING ELECTRONIC SIGNATURES AND EXTENSION OF EMERGENCY ORDER ALLOWING THE USE OF ELECTRONIC SIGNATURES

SUMMARY OF ISSUE

In 1995, the California Legislature passed Government Code Section 16.5, authorized public entities to accept digital signatures if they comply with stringent verification requirements. In 1999, California adopted a version of the Uniform Electronic Transactions Act (“UETA”) (California Civil Code Sections 1633.1 to 1633.17), providing that electronic signatures would have the same legal effect as a wet or manual signature.

In 2000, the Federal Government enacted the Electronic Signatures in Global and National Commerce Act (ESIGN). ESIGN mandated the same treatment of electronic signatures in interstate or foreign commerce. (15USC §§ 7001 et seq.)

In August 2016, Governor Brown signed AB 2296 to clarify that State and local agencies can use both electronic and digital signatures and that a digital signature is a subset of electronic signature in which Government Code Section 16.5 only applies when a public entity uses a digital signature.

The use of electronic signatures has grown over the last several years in both the public and private sector. Advances in technology and encryption have created industry standards that, when combined with appropriate policies and procedures reduce or eliminate the potential for forgery and misuse.

The COVID-19 pandemic and resulting social distancing orders have also made it more challenging to conduct business in person, and this includes the ability to obtain signatures quickly in-person. As a result, on March 27, 2020, the City Manager issued an order authorizing the use of electronic signatures which was ratified by the City Council on April 15, 2020 (the “Order”). The Order was extended on May 19, 2021 and remains in effect until December 31, 2021. Since March 27, 2020, the City has utilized electronic
signatures and has seen the efficiencies in this practice. As such, staff is recommending that the City Council pass an ordinance establishing electronic signatures as an acceptable method for signing documents.

The ordinance as proposed authorizes the use of electronic signatures on City documents while allowing the City to strike a balance between the flexibility desired in transactions and the need for signature security and integrity. Specifically, this ordinance establishes that electronic signatures shall be valid and effective on City records and documents so long as certain guidelines regarding the security and integrity of electronic signatures are met.

Pursuant to the Order, the City has been using DocuSign as its electronic signature platform and staff intends to continue using this platform. DocuSign meets the needs of the City and complies with State law. The DocuSign software not only complies with Government law regarding electronic signatures but exceeds the security and compliance regulations. Furthermore, the Secretary of State maintains a list of approved certification authorities authorized to issue certificated for digitally signed communication with public entities in California. DocuSign is among the four approved authorities and has been commonly used for signing documents.

If approved, the ordinance will not go into effect until February 18, 2022. At their meeting of December 15, 2021, the City Council approved the first reading and introduction of Ordinance No. 199.

FISCAL IMPACT

DocuSign costs approximately $2,000 per year.

STAFF RECOMMENDATION

It is recommended that the City Council approve the second reading and adoption of Ordinance No. 199, an Ordinance of the City Council of the City of Scotts Valley Amending Title 2 of the Scotts Valley Municipal to add Chapter 2.42 regarding Electronic Signatures, and waive the reading thereof.

CITY COUNCIL STAFF REPORT

DATE: January 19, 2022

TO: Honorable Mayor and City Council

FROM: Casey Estorga, Administrative Services Director

APPROVED: Mali LaGoe, City Manager

SUBJECT: AMEND THE JOB DESCRIPTION FOR THE CITY CLERK / ADMINISTRATIVE MANAGER JOB CLASSIFICATION; AND INTRODUCE A HUMAN RESOURCES MANAGER JOB CLASSIFICATION AND SALARY SCHEDULE

SUMMARY OF ISSUE

In September 2020 the City Council approved a Resolution amending the City Clerk/Administrative Manager Job Class Specification. This action was taken in response to the anticipated retirement of the incumbent City Clerk/Administrative Manager to align the duties and responsibilities with the contemporary conditions of the existing position.

At that time, the City’s administrative staffing levels were extremely limited, the City was in the early stages of the COVID-19 pandemic, and the City was in the process of evaluating how new technology, processes, and policies could improve the agency’s administrative operations.

Subsequently, the City’s administrative staffing levels have improved, with many vacancies being filled including the Administrative Services Director position filled in April 2021, the Deputy City Clerk position filled in August 2021, and the HR/Payroll Analyst position filled in October 2021.

Additionally, the City Council made numerous process and policy changes that positively impacting the City’s administrative operations, including by approving an agreement in June 2021 with NeoGov for human resources services and the automation of the City’s payroll functions and by adopting a comprehensive Records Retention Schedule in November 2021.

As the City continues to prepare for the incumbent City Clerk/Administrative Manager to retire, the City opened a competitive recruitment to fill the expected vacancy. Unfortunately, during this process the City experienced two unsuccessful recruitments in October 2021 and again in December 2021. Notably, during both of these recruitments the City received feedback from candidates that, while they had direct experience with
City Clerk duties, they lacked experience with the Administrative Manager duties, commonly related to human resources functions, as itemized in the job description. In addition to the challenging nature of the current labor market, the existing City Clerk/Administrative Manager job classification provided additional challenges with recruiting for the position.

Staff evaluated the cumulative impact of the above variables, including by considering the current and future administrative needs of the City, and is recommending two actions:

1. Amend the City Clerk/Administrative Manager job classification; and
2. Approve a Human Resources Manager job classification and salary schedule.

The proposed amendment to the City Clerk/Administrative Manager job classification would modify and/or remove many of the position’s human resources duties. Additionally, the amendment would also introduce language as it relates to the City’s new records retention schedule and remove the “Administrative Manager” wording from the job title.

As a result, and in response to the City’s short-term and long-term personnel needs, staff is also recommending that the City Council approves a new Human Resources Manager job classification. This role would undertake the human resources duties formerly performed by the City Clerk/Administrative Manager and help develop and administer modern and comprehensive human resources functions for the City.

Notably, with the introduction of a Human Resources Manager job classification, and adding that role as an approved position in the FY 2021/22 Budget, the City would not need to fill both the HR/Payroll Analyst and Human Resources Manager positions. Additionally, with the introduction of technological advances, the duties of the HR/Payroll Analyst position would become obsolete at some point in the near future. As a result, it is anticipated that the HR/Payroll Analyst position would become vacant and recommended for removal in future budgets as the Human Resources Manager would become responsible for their duties in addition to the Administrative Manager duties.

Because the City does not have an existing Human Resources Manager job classification or salary schedule, staff evaluated information from several comparable agencies including the City of Watsonville, City of Carmel, City of Pacific Grove, City of Campbell, and City of Hollister – all of which have Human Resources Manager job classifications and similar operational demands.

The City of Scotts Valley’s Human Resources Manager job classification would be represented by the City’s Mid-Management Employee group and is a culmination of duties from comparable agencies as well as personnel duties that may be unique to the Scotts Valley operation.

Furthermore, staff also evaluated total compensation for the Human Resources Manager position in these comparable agencies while also looking at other administrative manager positions with the City of Scotts Valley. As a result, the proposed Salary Schedule for the Human Resources Manager job classification is as follows:
Staff is working through the meet and confer process with both the Mid-Management Employees group and the Management and Confidential group and will notify the City Council if any of these proposed actions are not supported by a majority of either group.

**FISCAL IMPACT**

There is no fiscal impact to amending the City Clerk/Administrative Manager job description.

The fiscal impact of introducing a Human Resource Manager job classification is approximately $20,000 - $25,000 in Fiscal Year 2021-22. Funding for these costs have been included in the FY 2021-22 Adopted Budget and will be incorporated in future budget proposals through the City’s annual budget process.

**STAFF RECOMMENDATION**

It is recommended that the City Council approve Resolution No. 1955.19 amending the job description for the City Clerk/Administrative Manager job classification and introducing the Human Resources Manager job classification and salary schedule.
