PUBLIC ADVISORY REGARDING COVID-19

Consistent with Executive Order No. N-29-20 issued by Governor Newsom on March 17, 2020, and the County of Santa Cruz Health Services Agency Shelter In Place Public Health Order dated March 31, 2020, the regular meeting of the Planning Commission for June 11, 2020 will be conducted through videoconference. Planning Commissioners and City Staff members will be participating remotely via videoconference.

Public Participation

The meeting will be available on Zoom. For those wishing to participate via Zoom, you can join from a PC, Mac, iPad, iPhone or Android device by entering or clicking on the following URL: https://us02web.zoom.us/j/82846652236

You will be given an opportunity to provide public comment at the appropriate times throughout the meeting via Zoom.

How to comment via Zoom:

1. At the appropriate times during the meeting for public comment on items not on the agenda and on specific agenda items, the Planning Commission Chair will announce that public comment will be accepted. Our usual time limits of three minutes per individual, or five minutes for an individual who is representing a group of three or more, will apply. Please note that per our standard practice, this is not a question and answer time, but simply a time for you to provide comments to the Planning Commission.

2. There is an option on Zoom to raise your hand. Please click on this option when the Chair announces that public comments will be taken. Zoom places people in line automatically. When it is your turn, you will be unmuted and you will be able
to make your comments based on the above time frames. Once your time is up, you will once again be muted and the next person in line will be given their opportunity to speak.

**Notice regarding Planning Commission Meetings:**
The Planning Commission meets regularly on the 2nd Thursday of each month (unless otherwise noticed) at 6pm in the City Hall Council Chambers located at 1 Civic Center Drive, Scotts Valley, CA 95066.

**Agenda and Agenda Packet Materials:**
The Planning Commission agenda is available for review the Friday before the Thursday meeting on the Internet at the City’s website: [www.scottsvalley.org](http://www.scottsvalley.org) and in the lobby of City Hall at 1 Civic Center Drive, Scotts Valley, CA. Pursuant to Government Code §54957.5, materials related to an agenda item, submitted after distribution of the agenda packet, are available for public inspection in the lobby of City Hall during normal business hours, Monday-Friday, 8am-Noon and 1-5pm. In accordance with AB 1344, such documents will be posted on the City’s website at [www.scottsvalley.org](http://www.scottsvalley.org).

**CALL TO ORDER**
(The Planning Commission Chair calls the meeting to order.)

**ROLL CALL**
(Planning Department staff conduct roll call of the Planning Commission.)

**PUBLIC COMMENT TIME**
This is the opportunity for individuals to make and/or submit written or oral comments to the Commission on any items within the purview of the Commission, which are NOT part of the Agenda. No action on the item may be taken, but the Commission may request the matter be placed on a future agenda.

**ALTERATIONS TO CONSENT AGENDA**
(The Commission can remove or add items to the Consent Agenda.)

**CONSENT AGENDA**
(The Consent Agenda is comprised of items which appear to be non-controversial. Persons wishing to speak on any items may do so raising their hand to be recognized by the Chair. These items will be acted upon in one motion unless they are removed from the consent agenda for discussion by the Commission.)

Approve the Action Meeting Minutes from the June 11, 2020 meeting.
ALTERATIONS TO PUBLIC HEARING AGENDA
(Commission can remove or add items to the Regular Agenda.)

PUBLIC HEARING AGENDA
(Persons wishing to speak on any item may do so by raising their hand to be recognized by the Chair.)

None.

ALTERATIONS TO REGULAR AGENDA
(Commission can remove or add items to the Regular Agenda.)

REGULAR AGENDA
(Persons wishing to speak on any item may do so by raising their hand to be recognized by the Chair.)

1. Title: Burger King Restaurant Remodel
   Address: 227 Mount Hermon Road
   Applicant: Sunny Ghai / Ishar Investments
   Property Owner: Scotts Valley Plaza, L.P.
   Project Description: Consideration of a Design Review application DR20-002 and a Sign Design Review DR20-003 for an exterior remodel of an existing 2,340 square foot restaurant building (Burger King) including new parapet walls, new finishes and new signage.
   Staff: Brenda Stevens, Associate Planner, bstevens@scottsvalley.org

DISCUSSION ITEMS AND FUTURE AGENDA ITEMS
(The Planning Commission or Community Development Director may request to schedule items on future agendas.)

WRITTEN COMMUNICATIONS – FOR INFORMATION ONLY

DIRECTOR UPDATES
(The Community Development Director may provide any department or city updates that are available.)

ADJOURNMENT
(Adjournment shall be no later than 11pm unless extended by a four-fifths vote of all Planning Commission members or a unanimous vote of the members present per City Municipal Code Section 2.21.010.)

The City of Scotts Valley does not discriminate against persons with disabilities. The City Council Chambers is an accessible facility. If you wish to attend a Planning Commission meeting and require assistance such as sign language, a translator, or other special assistance or devices in order to attend and participate at the meeting, please call the Community Development Department at 831-440-5630 five to seven days in advance of the meeting to make arrangements for assistance. If you require the agenda of a Planning
Commission meeting be available in an alternative format consistent with a specific disability, please call the Community Development Department. The California State Relay Service (TTY/VCO/HCO to Voice: English 1-800-735-2929, Spanish 1-800-855-3000; or, Voice to TTY/VCO/HCO: English 1-800-735-2922, Spanish 1-800-855-3000), provides Telecommunications Devices for the Deaf and Disabled and will provide a link between the TDD caller and users of telephone equipment.

PLANNING COMMISSION  
STAFF REPORT

Date: August 13, 2020

Applicant: Sunny Ghai for Ishar Investments, Inc.

Applications: Design Review #DR20-002, and Sign Design Review #DR20-003

Location / APN: 227 Mount Hermon Road / 021-021-29

General Plan / Zoning: Shopping Center-Commercial - (C-S)

Environmental Status: Qualifies for a Categorical Exemption from the California Environmental Quality Act under Section 15301, Existing Facilities, and Section 15311, Accessory Structures, (a) on premise signs.

Project Description: Consideration of a Design Review application to remodel an existing 2,340 square foot restaurant building (Burger King) and a Sign Design Review to replace the existing building signage.

Staff Planner: Brenda Stevens, Associate Planner, bstevens@scottsvalley.org

STAFF RECOMMENDATION

It is recommended that the Planning Commission review the plans for Use Permit DR20-002 and Sign Design Review # DR20-003 and approve the application, subject to the attached conditions in Exhibit A.

PROJECT DESCRIPTION

The project site is located in the Scotts Village shopping center at 227 Mount Hermon Road and is a pad tenant operating as a restaurant (Burger King). The applicant is proposing changes to the building exterior, parking lot and signage. The changes include: Remove and replace the existing mansard roof with a flat roof and parapet that would include a light band around the top of the parapet, add faux towers at the
doorway entries, re-slurry and re-strip the parking lot, update accessibility parking and path of travel at the entrance, replace a majority of existing signage with the exception of the monument sign and add new signage consisting of: walls, canopy, drive-thru menu board, drive-thru clearance bar, and directional signs. The existing landscaping is to remain with no new additional landscaping proposed. The project also includes an interior remodel which does not require Design Review.

PROJECT DISCUSSION:

Building Exterior
The applicant proposes to remodel the building’s existing brick work by covering it with stucco and applying a thin brick wainscot. The existing mansard roof would be removed and a new parapet would be installed including a light band at the top of the roofline. The parapet height will be raised to screen the rooftop equipment from view of Mount Hermon Road, a condition has been added to ensure that the rooftop equipment will be screened and that if any additional screening is required it will be reviewed for approval by the Community Development Director (CDD). The applicant proposes exterior building colors that are generally in-keeping with the warm tones of the shopping center.

Staff believes two sections of the roof-top light band should be eliminated. The first section is (Sheet A-3 listed as North Elevation) along the drive-thru elevation to the left of the drive-thru window between the menu board and the pick-up window. The second section is (Sheet A-3 listed as East Elevation) the rear side of the building, from corner to corner. By eliminating these portions of the light band, staff believes it will lessen the visual light impact on the adjacent residence of the Spring Lakes Mobile Home Park and will not impact the building visibility or identification in any significant way.

Signs
For commercial developments larger than one acre in size and with more than 250 feet of street frontage, a Planned Sign Program (PSP) allows more signage and larger signs where conditions warrant, to encourage high quality signs that will enhance the character or value of the community. The Planning Commission approved a PSP for the
Scotts Village Shopping Center on January 24, 2008. Within the PSP program, the location of this restaurant is identified as a Pad Tenant.

The following are the Pad Tenant PSP requirements and staff’s analysis on conformance and recommendations for revisions.

- **Channel letters on the logo sign:**
  Channel letters on “Flame Grilling Since 1954” sign – conforms with the PSP and is consistent with nearby drive-thru Starbucks sign height.

- **Number of pad signs will be subject to review and approval by the CDD:**
  Staff recommends reducing the quantity of logo signs from three to two and has stated this in the Conditions of Approval. By eliminating the logo sign on Sheet A-3 called out as the North Elevation near the building corner of the drive-thru exit, staff believes that this will reduce unnecessary light impact for residential neighbors of adjacent Spring Lakes Mobile Home Park. As this logo sign will be the least visible for business identification purposes for traffic along Mount Hermon Road staff believes the elimination of this sign will not significantly impact the business.

- **Logo modules shall be allowed, but shall be subject to review and approval by the CDD:**
  As noted above, staff recommends and has included in the Condition of Approval, the elimination of one of the three logo signs for a total of two logo signs to remain on site. In addition, staff also recommends and has conditioned a one foot diameter reduction in size for the remaining two logo signs (Sheet A-3 listed as West and South elevations). Staff has conditioned that the 6 foot in diameter logo sign be reduced to 5 feet and that the 5 foot diameter logo sign be reduced to 4 feet. The recommendation, to reduce the sign diameter is to remain consistent with similar signage size along the Mount Hermon corridor. The nearby Taco Bell has smaller logo signage than what is being proposed by Burger King and by reducing the size, the smaller signage would be consistent and the same size that was approved for the newest drive-thru Starbucks located on Mount Hermon Road.

- **Letter height shall not exceed 24 inches:**
  Letter height of the “Flame Grilling Since 1954” sign is 16 inches - conforms with the PSP as well as nearby restaurant signage.

- **Pad tenants shall be allowed one square foot of sign area for every linear foot of leased frontage:**
  Frontage is 135 feet, total proposed signage is 128.5 square feet - conforms with PSP.
- **Sign length shall not exceed 75% of leased frontage:**
  Sign length is approximately 21 feet and the street frontage is 135 feet, therefore the sign is approximately 16% - conforms with the PSP

**Conclusion**

With three alterations to the proposed plans, staff is recommending approval with the following changes: A) eliminate a portion of the rooftop light band, B) eliminate one logo sign and C) reduce the size of two logo signs as analyzed above and further detailed in the Conditions of Approval.
Resolution No. __ to Approve Design Review #DR20-002 and #DR20-003 (Action Item)

1. Location Map ........................................................................................................11
2. Project Plans - Building .................................................................................. (Attached)
3. Project Plans – Signs .................................................................................... (Attached)
A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SCOTTS VALLEY APPROVING DESIGN REVIEW PERMIT #DR20-002 TO REMODEL THE AND EXTERIOR OF 2,340 SQUARE FOOT RESTAURANT (BURGER KING) BUILDING AND A SIGN DESIGN REVIEW #DR20-003 TO REPLACE THE EXISTING BUILDING SIGNAGE LOCATED AT 227 MOUNT HERMON ROAD IN THE SCOTTS VILLAGE SHOPPING CENTER /APN 021-221-29.

WHEREAS, the Planning Department of the City of Scotts Valley has received the applications filed by Sunny Ghai for Ishar Investments, Inc (Burger King) for Scotts Valley Plaza, L.P. (property owner of the Scotts Village Shopping Center) for Design Review to remodel the exterior of a 2,340 square foot restaurant building and a Sign Design Review to replace the existing building signage located at 227 Mount Hermon Road / APN 021-021-29.

WHEREAS, the application was reviewed for completeness and is determined to be a “project” as defined by the California Environmental Quality Act (CEQA); and,

WHEREAS, the project is exempt from environment review and qualifies for a Categorical Exemption from the California Environmental Quality Act under Section 15301, Existing Facilities, and Section 15311, Accessory Structures, (a) on premise signs; and,

WHEREAS, the project was reviewed by the Planning Commission at regularly scheduled meeting on Thursday, August 13, 2020.

NOW THEREFORE, the Planning Commission of the City of Scotts Valley hereby resolves as follows:

SECTION 1: The environmental determination represents the independent judgement of the City.

SECTION 2: The categorical exemption is hereby approved.

SECTION 3: The Planning Commission of the City of Scotts Valley does hereby specifically make the following findings, as further clarified in the staff report dated August 13, 2020.
1. **All structures shall be in good proportion, have simplicity of mass and detail and be compatible in appearance with surrounding structures. There shall be an appropriate use of materials; colors shall be appropriate within the context of use and should blend with surrounding structures.** The proposed project meets the requirements of this finding in that the proposed exterior remodel will update and enhance the appearance of the building, located on the City’s main commercial corridor. The exterior design, materials and features will complement the building exterior. The exterior building colors will be in-keeping with the warm tones of the shopping center.

2. **The signs serve primarily to identify the business or the activity conducted on the premises, or identifies the product or service offered thereon.** The signs serve primarily to identify the business or the activity conducted on the premises, and identifies the product or service offered thereon. The signs serve to identify the restaurant (Burger King) and the activities conducted on the premise.

3. **The signs are harmonious with the materials, color, texture, size, shape, height, location and design of the building, landscaping, property and environment of which it is a part.** The project meets the requirement of this finding in that the signs use quality materials and are well-designed in and of themselves. The signs are harmonious with the materials, color, texture, size, shape, height, location and design of the building, landscaping, property and environment of which it is a part.

**SECTION 4:** After careful consideration of the application and related materials, plans, maps, facts, exhibits, staff reports, minutes, testimony and other evidence submitted in this matter, and incorporated herein by this reference, the Planning Commission of the City of Scotts Valley does hereby approve Design Review Permit #DR20-002 to remodel the exterior of the 2,340 restaurant building (Burger King) and a Sign Design Review #DR-003 to replace the existing building signage located at 227 Mount Hermon Road / APN 021-021-29, subject to the amended conditions set forth in the attached Exhibit A, which are incorporated herein by this reference.

**SECTION 5:** Design Review approval #DR20-002 and Sign Design Review #DR20-003 shall lapse and shall become void two (2) years after the date of this resolution unless prior to the expiration date a building permit is issued by the Building Division and construction is commenced and diligently pursued toward completion, or an extension of this approval is granted by the Planning Commission.
THE ABOVE AND FOREGOING RESOLUTION was duly adopted and passed by the Planning Commission of the City of Scotts Valley at a regularly scheduled meeting held on the 13th day of August 2020, by the following vote:

AYES:

EXHIBIT A

CONDITIONS OF APPROVAL
(Number 1-X)

STANDARD

1. The developer has agreed to and shall defend, indemnify, and hold harmless the City of Scotts Valley, its officers, agents, and employees from any claim, action, or proceeding against the City or its officers, agents, or employees to attack, set aside, void, or annul any action of the City in connection with approvals under the California Environmental Quality Act or with respect to approval of the project, which action is brought within the time period(s) prescribed by law. The City shall promptly notify the developer of any such claim, action, or proceeding and shall fully cooperate in defense.

2. After Planning Commission approval, the property owner shall sign these Conditions of Approval agreeing to the Conditions of Approval before issuance of any building permit and/or earth-disturbing work related to the project.

PLANNING DEPARTMENT

3. The color, materials, size, location and design of the improvements shall match the approved plans. Modifications to the approved project may require approval by the Planning Commission at the discretion of the Community Development Director.

4. In the event any landscaping and or irrigation is damaged or destroyed during the construction remodel it shall be repaired and replaced prior to the building permit final.

5. All rooftop equipment shall be screened and if any additional screening is required it will be reviewed for approval by the Community Development Director.

6. The applicant shall eliminate two sections of the roof-top light band on the drive-thru elevation located to the left of the drive-thru window (when facing the window) between the menu board and the pick-up window (Sheet A-3 listed as North Elevation). The second section is (Sheet A-3 listed as East Elevation) at the rear side of the building, from corner to corner.
7. The applicant shall eliminate one of the three logo signs for a total of two logo signs. The logo sign on Sheet A-3 listed on the plans as the North elevation on the drive-thru elevation shall be eliminated.

8. The two remaining logo signs (Sheet A-3 one listed on West and listed as South elevation) shall be reduced in size by one foot in diameter. The 6 foot in diameter logo sign shall be reduced to 5 feet and that the 5 foot diameter logo sign be reduced to 4 feet.

9. The applicant shall submit revised plans showing the light band and signage changes as conditioned.

BUILDING INSPECTION DEPARTMENT

10. The applicant and the applicant’s contractors shall comply with all requirements of the latest Building Code and Building Department requirements.

11. The applicant shall obtain all required building permits and pay all appropriate fees prior to starting any earth-disturbing work or any construction of the signs on the property.

12. Applicant shall submit two copies of this Exhibit A with the building permit application.
